# Action Guide

**Liam Sapochnick**

## **1. Be a Good Person**

Liam talks about how he believes that a good person is someone who helps other people without getting a reward for it. But what defines a 'good person' differs according to each one of us.

Write down below what you think it takes to be a good person. Now evaluate this in respect to your life. What can you do to make yourself a 'better' person?

## **2. Change the World**

Liam explains about how if he could change the world, he would "stop bad things and then focus on the good things". By knowing what we would like to do to change things for the better, we can then go about actually trying to change them.

### **How Does It Apply?**

Write down below what you would do if you could change the world. Now think about your local environment and community. What small changes can you make to start to make a difference to the world close to you?

### **3. Be more of a Kid**

When Jacob asked Liam about what questions he had for him, Liam wanted to know about being an adult. Whilst we are children most of us want to grow up quickly – and then usually regret this as an adult! As adults, however, we need to find time to do what we enjoy and let some fun into our lives.

#### **How Does It Apply?**

Write down below what fun things you like to do. Now make sure that you find time to do them and become a kid again.
